BESPOKE MANUFACTURE COMBINED WITH PROFESSIONAL SITE INSTALLATION

The reputation for quality and service acquired by Chelsea Artisans has been achieved as a result of using granites, marbles and limestones, worked and installed by highly skilled operatives.

Chelsea Artisans has more than 20 years experience of working on a diverse range of projects throughout the world. These include hotels and office foyers which have demanded high quality materials and close attention to detail.

The natural beauty of traditional stone will enhance the interior of any building.

Chelsea Artisans offer a wide range of stone types, manufacturing and installation services. Intricate flooring patterns, moulded sections, recessed worktops with drainer grooves, and varying surface finishes can all be provided.

A fully equipped production facility in Esher ensures that the highest standards of quality are maintained.
